SLIMEBALL RAILROAD "FLAT GROUND" WHEEL
53mm & 55mm • 95 & 99 A
NATURAL ONLY

Specially cut and formulated to hang on rails longer without getting hung up, lighter, less sidewall stays inside of deck edge, yet same riding surface as heavier standard cut wheels, fast hi-tech formula resists flat spots...improves speed for more advanced tech skating.

CUSTOM WHEELS

Let our graphic experts design your 4 color shop wheel. Choose any of our special cuts and formulas. Many shops worldwide trust Skaters Union for their shop wheels. Only 100 minimum order, any size and color, small one time plate fee.
